ENTERPRISE

ABOUT US

Established in July 2021, Golden Sea Enterprises is a licensed Ship Chandler firm recognized by Pakistan's Customs. Since entering the ship supply market, we have rapidly positioned ourselves as a competitive force.

Our commitment to providing competitive prices and dedicated services has earned us a solid reputation among ship owners and operators. We specialize in provisioning hardware for cabins and deck work, as well as supplying high-quality lubricants and greases.

At Golden Sea Enterprises, we take pride in our reliability, professionalism, and measurable results. Our clients benefit from our extensive infrastructure, including a sizable cold warehouse, and our strategic experience in the offshore industry. We efficiently handle provisions and bonded stores at the best possible prices.

We are committed to ensuring our customers receive their supplies wherever they are needed. Our 24/7/365 service is designed to support marine and offshore operations seamlessly.
